

Vintage-Military Class Guidelines

Class Statement:

It is the intention of this class to focus on vintage-military and CMP rifles. The idea is to keep shooting fun and alive with historical rifles. After all, we are a CMP affiliated club, so we should put emphasis on vintage-military rifles. This class can be cost effective and easy on your pocketbook also. Best of all, this is a very historic class.

Open to all CMP rifles, including:

Mossberg 144/44

Savage 900, 19

BSA Martini

Winchester 75

Remington 37

Winchester 52

CMP Kimbers

H&R Model 12

M 2 Springfield

Other rifles may be approved by the Match Director or the Riverside Gun Club competition committee.

Rifle scopes may be used.

NO match barrels allowed.

NO after market stocks allowed.

NO after market triggers allowed.

Vintage rifle must be in original configuration, maintain manufactured contours and features. Rifle may be bedded, trigger jobs are allowed. Any part that needs to be replaced (barrel, trigger, stock, sight, sight mount, etc.etc.) must be replaced by a similar part of original specifications made by the manufacture.

Any approved front rest allowed.

Bag type rear rest allowed.

NO one piece rest allowed.

Scope power or open sights are optional.

Vintage-Military Class:

1. Match may be held at same time and use the same targets as trophy match. Competition rules for other matches apply to Vintage/Military class.
2. 100 timed rounds.
3. Shooter can not shoot both classes at the same time with one gun.
4. Shooter must indicate at sign up, which class is being shot.
5. 15 minute personal target review is allowed after last score posted. Targets may be observed by the shooter, but may not be removed until the match is complete and all scores are accepted as final.
6. Match Director has final say.
7. Match is final upon presentation of ribbons.
8. Targets are the property of Riverside Gun Club.
